Illustration, Screenprint, Collage, Photography, Painting, Sculpture.

## professional experience

### Integrative, Inc. (March 2008–Present)

Freelance Designer

Integrative is a website development company dedicated to improving the landscape of the internet through great design and advanced production techniques. I develop the look and function of the sites while the production team works to make my creations come alive.

### Blue Barnhouse Letterpress (December 2007–Present)

Freelance Designer

Blue Barnhouse is an Asheville, NC based letterpress print shop. I have developed logos and business cards for numerous clients through Blue Barnhouse.

### WNC Magazine (December 2007–April 2008)

Graphic Design Intern

WNC is a mountain living magazine in Western North Carolina. I worked on the layout design, photo color correction and some advertisement design.

### VCU Design Center (2006)

Student design group that works with non-profit organizations in and around Richmond, VA. Met directly with clients, learned project-management, and production.

### Chatmoss Web Systems (2005–Present)

Freelance Designer

Flash Animations, Web Interface Design.

## education

### Virginia Commonwealth University

Graduated May 2007
